

Financial Specialist (m/f)

TRAINEE OR SENIOR PROFESSIONALS - FINANCIAL MARKETS

The Company:

The successful broker-dealer company has 3 vacancies for a trainee or senior Broker and Investment Advisor positions based in Banja Luka. A unique chance has arisen for right candidates to join the core of our organisation where we invest into you as an individual and believe in the personal development of our employees. We currently have positions available for both Senior Brokers and Investment Advisers looking to capitalise on their abilities, and Trainee/Junior candidates looking for an entry level position in the Financial sector.

The Role:

Based in Banja Luka, this role is for ambitious candidates who will be working closely with our senior brokers managing a varied portfolio of clients. You will deal with our existing clients and assist with new business enquiries, so previous exposure to financial markets will be definitely beneficial. This is an excellent opportunity to develop commercial knowledge and skills in a progressive and supportive environment.

We offer:

- Fully comprehensive in-house training,
- Good Basic salary,
- A chance to grow and advance your career with great opportunities.

Prospective applicants must possess:

- Good interpersonal and administrative skills,
- Excellent communication skills (excellent telephone manner),
- Highly driven, self-motivated personality looking to surpass expectations,
- Able to work both independently and within a team setting with minimal supervision,
- Operate in a professional manner,
- Have an effective time management.

Required qualifications and skills:

- University degree in Economics, Mathematics, Informatics, Engineering or Law profession,
- Excellent verbal and written communication skills in English (ideally Cambridge Proficiency Exam or similar),
- Knowledge of German language and other languages a plus,
- Strong foundation in Mathematics,
- Excellent Excel and Word skills.

Ideally, you will have:

- Broker or Investment Adviser license issued by the Securities and Exchange Commission of Republic of Srpska,
- Knowledge of financial markets and Forex,
- 1+ years of relevant experience in financial sector,
- Strong knowledge of Microeconomics and Macroeconomics.
