

ZenDev d.o.o. Mostar

Senior programer (m/f)

Have you ever wished to live and work in the Scandinavian countries? ZenDev is now hiring IT consultants for our office in Sweden.

If you have at least three years of experience as an IT developer, you could be the right person for us. The following technologies are good merits, but note that even if you have experience in other software development technologies, you are free to apply:

- C#
- Java
- Frontend development

You only need to be proficient in one of the above technologies to be a serious candidate for a position. It is also essential that you are fluent in the English language.

If you feel that you are right for the position, and willing to move to Sweden to work for a Swedish salary, we would love to have a meeting with you.
