

Intern in Consulting - Business Transformation

At EY, you'll have the chance to build a career as unique as you are, with the global scale, support, inclusive culture, and technology to become the best version of you. And we're counting on your unique voice and perspective to help EY become even better, too. Join us and build an exceptional experience for yourself, and a better working world for all.

If you are interested in working in a dynamic environment and collaborating on top industry-wide business consulting projects apply for the role at EY Consulting - Business Transformation.

The opportunity

At EY Consulting, we are building a better working world by transforming businesses through the power of people, technology, and innovation.

Business Transformation is expanding capacities and services and we are looking for Interns to join our Serbia/Bosnia and Herzegovina office.

Your key responsibilities

The core purpose of the role is to support efficient realization of client and non-client related tasks in the following segments:

- Assist in preparation of proposals, business development materials as well as project-related deliverable
- Act as a project team member and provide support through conceptual, analytical, and deductive insight
- Assist on project set-up, preparation, and execution
- Learn about different industries, business models and business processes in various areas
- Provide support in developing insights, recommendations, and conclusions
- Research internal and external knowledge databases

To qualify for this role, you should fulfil the following requirements

- BSc degree (or in the process of attainment) in domain of economics, business, management, finance, financial management and similar
- Excellent knowledge of MS Word, MS PowerPoint, and MS Excel
- Excellent spoken and written English

Ideally, you'll also have:

- Knowledge of additional foreign languages
- Experience in project management processes
- Interest in new technologies
- Motivation and aspiration to work in Business Consulting

What we are looking for:

- Analytical and strong deductive skills
- Ability to work on multiple assignments
- Teamwork friendly
- Willing to learn and develop relevant skills
- Open to a dynamic environment

What we offer

Working at EY Consulting will give candidates an opportunity to learn about different businesses and business models, contribute to optimization and improvement of different business areas and have significant client exposure across industries. We offer a dynamic workplace through which you will cover broad range of contemporary topics. We have insight into different practices, strong knowledge base and good training programs. We actively invest in development of our people (including different trainings, certificates etc.) so they could reach their full potential.

- Continuous learning: You'll develop the mindset and skills to navigate whatever comes next. We have insight into different practices, strong knowledge base and good training programs. We actively invest in development of our people (including different trainings, certificates etc.) so they could reach their full potential.
- Success as defined by you: We'll provide the tools and flexibility, so you can make a meaningful impact, your way.
- Transformative leadership: We'll give you the insights, coaching and confidence to be the leader the world needs.
- Diverse and inclusive culture: You'll be embraced for who you are and empowered to use your voice to help others find theirs. To be part of a team that counts around 8 relatively young and carefully selected people. Since consulting business is all about good relationships, we tend to maintain them not only with our clients but also among ourselves

If you can demonstrate that you meet the criteria above, please apply until 20th of August.

The exceptional EY experience. It's yours to build.

Apply now.
