### PhD Scholarships in Transnational Europe at the University of Portsmouth

Come and study for a PhD at one of the UK's leading Centres for European Studies. The Centre for European & International Studies Research obtained a top 5 rating (research of international excellence) in the UK's December 2001 Research Assessment Exercise.

We are currently taking applications for bursary candidates to register for a full-time research degree (MPhil/PhD) starting in October 2007. Three bursaries are available (inc. one ESRC quota award). Our research units include - in the subject areas of European politics and history - the following areas:

Transnational Europe  
Policy, Politics, Justice and Security in Europe  
Social, Historical and Cultural Change in Europe

Support for three years is subject to satisfactory progress. Bursary awards include full fees and maintenance, which in 2006/7 was ?12,300 pa.

If you are interested in applying with a project proposal in one of the three areas mentioned above, please feel free to contact Professor Wolfram Kaiser at [Wolfram.Kaiser@port.ac.uk](mailto:Wolfram.Kaiser@port.ac.uk)
