

Personalized Internet Assessor - Bosnia

Personalized Internet Assessor - Bosnia

Basic Information

Country: Bosnia and Herzegovina

Job Type: Freelance

Description and Requirements

What does the role involve?

In this role you will be reviewing online search results in order to improve their content and quality. You will be required to provide feedback and analysis on content found in search engine results and provide ratings on their relevance to the search terms used. Another aspect of this role will involve reviewing the language used in the search results by examining grammar, tone and cultural relevance. Through this work you will be making a valuable contribution by expressing your opinion on the quality and content of what is currently out there on the web. You will play a part in improving the quality of one of the largest search engines in the world using both your PC and required Smartphone device.

Who is suitable for this role?

We are currently seeking dynamic and creative people who have a strong interest in social media, specifically those who are an active daily user of their Gmail and Google+ account. We also require suitable candidates to own & use a smartphone - Android or iPhone - and have a familiarity with other forms of social media and Google products. You should also be flexible, reliable and have the ability to interpret and follow established guidelines.

You will have the flexibility and freedom to work from your own home, working your own hours.

We are currently seeking people who have a specific smartphone device (Android V4.2 or higher or iPhone running iOS version 13.0 or higher) to complete tasks.

What are the main requirements for the role?

- You must have full professional proficiency in written and verbal English and Bosnian
- You must be living in Bosnia for the last 5 consecutive years
- You must own and use a Smartphone (Android V4.2 or higher or iPhone running iOS version 13.0 or higher) to complete tasks.
- The majority of the task types will require both a desktop/laptop and a Smartphone

- Gmail must be your primary email account
- Active daily user of Gmail and other forms of social media.
- You must have familiarity with current and historical business, media, sport, news, social media and cultural affairs in Bosnia
- Access to and use of a broadband internet connection and associated computer and software to perform the work, all provided at your own expense
- Experience in use of web browsers to navigate and interact with a variety of content

Important notice: TELUS International will never request a monetary deposit for any role or project with the company, and our recruitment and sourcing teams only use @telusinternational.com or @telusinternational.ai addresses when emailing candidates. If you are unsure as to whether a job offer is legitimate, please contact us at TI_AICommunitySupport@telusinternational.com for confirmation.
