

Part Time Experts and Engineers

EPTISA) is the leading consulting and engineering group from Spain with more than 2,100 permanent employees worldwide, over 210 million euro revenue per year and over 180 projects implemented in more than 40 countries around the world.

EPTISA Regional Office for South East Europe co-ordinates all the managerial, commercial and technical activities of EPTISA in the whole Western Balkans. The office is specialised in the provision of technical assistance services to public institutions (mainly though IFI-funded projects) in all the IPA countries, including Bosnia and Herzegovina where EPTISA has been constantly working since 1999. As a result, and after being awarded with a new EU-funded project, the company has decided to establish a permanent structure in the country and needs to cover the following positions:

Part Time Experts and Engineers (Ref. 3: Experts Database)

For our different assignments in the region, we also encourage applications from experts with experience in EU or other IFI-funded projects in all fields (environment, infrastructure, water resources management, rural development, public administration reform, socio-economic development, etc.). Please submit your application (cover letter and resume in English, indicating the position reference), as well as your salary expectations, to the following e-mail: bpetak@eptisa.com. Deadline for submitting applications: 31.12.2010 (Ref. 3). We regret that only shortlisted candidates will be contacted.
