

Livescouting reporter

Trazimo reportere. Placamo 35€ da gledate utakmicu.

We are one of the world's leading information suppliers for sport related data. Our System is based on our unique fully automated data extraction and supervision technology for highest quality standard combined with a complex scout and video signal monitoring system.

We are providing the most reliable data available worldwide for the betting and media industry for all relevant distribution channels. You will be paid 35€ per single sports event. Additionally we will reimburse your transport and ticket expenses.

We don't require a radio moderation or any other "speech based" reporting. Our in house system is totally technical based and you only have to speak when you receive a call from our supervisor during your coverage. For this you need intermediate English skills.

Please contact us on Skype: livescouting.balkan or MSN messenger: livescouting-balkan@hotmail.com if you are interested.
