Area of interest: Audit

Way of work: Hybrid

Description & Requirements

Who we are looking for

Description & Requirements

Who we are looking for

- University graduates - minimum Bachelor studies (preferred economics, finance and accounting, math studies);
- Communicative level of English;
- Willingness to expand knowledge
- Interested in the international business environment and professional development;
- Analytical thinking, problem-solving attitude;
- Attention to detail, with a sense of responsibility and delivery of results;
- Good command of the Microsoft Office package (mainly Excel);
- Able to work in a team and be proactive;
- Positive 'can do' attitude - systematic approach to work.

Your future role

- Performing selected audit activities as part of delivery of high-quality audits of financial statements. The activities will include tasks for various multinational companies and institutions, in accordance with local accounting standards, IFRS and other GAAPs;
- Pre-processing of information (financial data, accounting records and financial statements, etc.) necessary for each audit phase - audit planning, testing procedures and audit finalization;
- Preparing audit documentation in Deloitte audit software to support the audit teams based out of client locations;
- Using proven Deloitte audit methodologies;
- Participating in a customized training program as well as coaching by seniors and managers to become more independent and acquire technical know-how.

IMPORTANT: Starting dates: October 2024.

What we offer

- Stable employment based on a contract of employment;
- Hybrid model of work;
- Bonus system: ADC Performance Premium;
- The training program that will allow you to quickly adapt to your new role;
- Internal trainings opportunities related to soft and technical skills;
- Access to modern online training platforms like Udemy for Business, LinkedIn Learning, getAbstract, Culture Navigator;
- Buddy Program - support during the first months of work;
- Possibility of co-financing external training (ACCA/PIBR certification);
- Language classes to develop e.g. English skills;
- Attractive benefits package (Health, life and travel insurance, Multisport, Employee Assistance Program etc.);
- Work in a team with a very positive atmosphere.
