Job description:

- Weight and balance calculation of Lufthansa flights and customer airline flights all over the world
- Checking the planned figures of passengers, bags, cargo and mail
- Doing the complete load planning
- Communication with the airport personnel
- Releasing the final load and trim sheet before departure

Please be advised that this position is not situated at the airport and does not require any physical activities.

Position requirements:

- Secondary education (high school graduation)
- Both, German and English knowledge on a good communicative level
- Ability to think logically
- Keyboard proficiency / computer literacy
- Stress resistance, ability to multi-task, ability to work in a team
- Flexibility to work shifts
- We don't require any professional experience with this job.

You will be provided with a necessary knowledge during our trainings.

We offer:

- Attractive package of airline employee benefits (discount on flight tickets for you, your family members and friends)
- Motivating and fair remuneration: individual salary increases based on performance
- Great opportunity of professional development in Brno as well as in the GLC Network
- Possibility of working at the other two locations (limited or unlimited transfer)
- Talent management program (project management, leadership courses etc)
- Contribution to team outings
- Contribution to meal vouchers
- Work in a friendly multinational team and dynamic organization
- Help with visa procedure and relocation to Brno
- Workplace in a centre of Brno city
